Important Notice from the Lecturer of *Governance and Development*

- ✧ Students who want to read the lecture notes and get the course materials need to log in the CFIVE and select the Course “Governance and Development” to get registered on the screen.

CFIVE login page: https://cfive.ecc.u-tokyo.ac.jp/cfive/login?action=login_form

- ✧ The session of November 12 will be group discussions similar to that of October 29. Students will be divided into five groups so that they can prepare the case discussions by group. Make sure to which group you belong by referring to the Grouping List. Follow “the Guiding Note” carefully and read requisite materials for the preparation. Group Leaders, to be selected among the respective Group members, are supposed to compile the member’s discussion and make presentations in the class. **For confirmation purposes, five Group Leaders are requested to inform their name and their affiliated Group name (A to E) to the lecturer by November 11.**

- ✧ Request to the presenters who made group presentations on October 29:
You are requested to send the digital data of your presentations to the lecturer’s email address so that the presentations will be shared among all the registered students on the CFIVE. You may bring the data with you when present in the class on November 12. (email: zkuwa@mail.ecc.u-tokyo.ac.jp)

Thank you !
