Please contact Ms. Nishizawa if you want to get a copy of the published version of Reading 4: Monteiro Rui S (2008). PPPs and fiscal risks: experience of Portugal. I apologize that I failed to post the power point presentation titled “Financing PPP Projects—To Review the Key Concepts,” which is now made available on the student bulletin board together with another power point presentation used on Day 4 titled “Government Contingent Liabilities.”

I look forward to seeing you on November 2.
