## *Leadership & Networks*

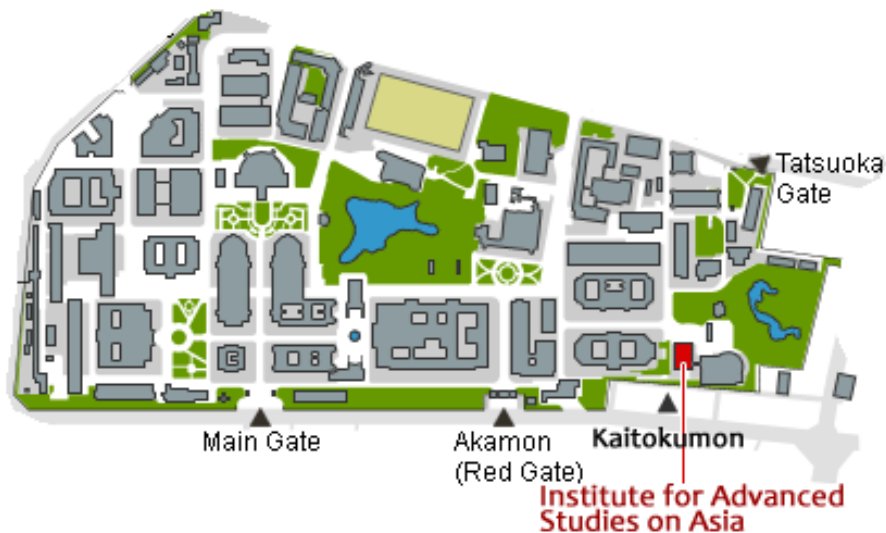

### Better Global Leadership through Networks and Choice

Please come hear about and discuss some of the key challenges that global leaders and organizations face today, the value of understanding informal networks, and the use of choice as a mechanism for motivating individuals to achieve collective goals. What are the primary challenges and opportunities that culture and globalization present today's leaders? Join us to find out!

**Date / Time:** Monday, November 12<sup>th</sup> from 1:00~2:00PM, Hongo Campus.

**Venue:** Institute for Advanced Studies on Asia (東洋文化研究所), 3<sup>rd</sup> Floor.

**Admission:** No RSVP is required -- first come, first seated.
