

## CALL FOR PAPERS

LPEM FEBUI in partnership with GraSPP, The University of Tokyo, invites scholars, young researchers and graduate students from Indonesia and Japan to submit a paper to be presented in

### **“The Emerging Researchers Forum between Indonesia and Japan: Partnership Opportunities for Enhancing Human Capital, Innovation, and Competitiveness”**

which will be held in Jakarta on December 1-2, 2015.

Potential topics to be discussed on this forum include, but not limited to

- Infrastructure
- Public-Private Partnership
- ASEAN connectivity
- Human capital
- Social programs
- Workforce development
- Innovation
- Competitiveness

A paper of about 2,500 words in English should be submitted via email to [hanum@lpem-feui.org] and [chairinahanum@gmail.com]. The Forum Committee will select two papers each from Indonesia and Japan.

There will be two-day international conference with **the first day will be a special session on LPEM's Conference on Economics and Finance in Indonesia and the second is public seminar**. Paper sessions are seminar style with a speakers and discussant for each session and ample time for discussion for participants to provide constructive feedback to authors. Paper will be presented in English
