 - 150** nationalities represented
 - 42** dual degree programs
 - 400+** partner universities
 - 25** languages taught
 - 65,000+** alumni

STRUCTURE

ABOUT THE SCHOOL OF PUBLIC AFFAIRS

- Public affairs has been taught at Sciences Po since its founding. The School of Public Affairs was established as its own school in 2015.
- In addition to university professors, courses at the School of Public Affairs are taught by high-level practitioners from the fields of politics, diplomacy, academia, economics, and law, among others.
- You will be taking classes within the school's two 2-year master's degrees: the Master in Public Policy and the Master in European Affairs.

THE GLOBAL PUBLIC POLICY NETWORK (GPPN)

Founded in 2005, GPPN is a network of 7 top public affairs schools from around the world. GPPN programs include:

- **Dual Degrees & Exchange** between all 7 partner schools.
- **Annual Conference:** hosted every year by a different school in the network, the latest conference, was held in Paris in February, brought together nearly 150 students presenting 32 projects/solutions to the UN Sustainable Development Goals (SDGs), all competing to win the GPPN Prize.
- **SDG Professional Certificate:** A new one-year program that will allow students to develop entrepreneurial skills, work with public policy students from GPPN partner universities, and showcase their projects to an international audience of academics, practitioners and policymakers.
