

Application Guidelines 2019

Master of Public Policy, International Program (MPP/IP)
Graduate School of Public Policy, The University of Tokyo

1. Program Information

Description

The Master of Public Policy, International Program (MPP/IP) at the Graduate School of Public Policy (GraSPP) offers a two-year interdisciplinary graduate-level professional degree for future policy experts.

MPP/IP seeks to nurture individuals who:

- Aspire to take active roles as public policy professionals and leaders with high ethical standards in international society utilizing specialized knowledge and practical competencies acquired at the graduate school;
- Can proficiently evaluate current and future challenges, optimize policy responses, evaluate policy impacts, and build consensus among stakeholders;
- Have the competency necessary to apply fundamental knowledge in policy design, implementation and evaluation honed through a balanced study of law, politics and economics to successfully resolve policy challenges

Policy Streams

MPP/IP offers two policy streams below for students to develop in-depth knowledge in their chosen fields.

- Economic Policy, Finance and Development (EPFD)
- Public Management and International Relations (PMIR)

Scholarships

GraSPP offers several scholarships for MPP/IP. Applicants who seek ADB and WB scholarships should follow the application guidelines. For more details about important notes and additional eligibility requirement for ADB and WB, carefully read Appendix 3.

- The Asian Development Bank-Japan Scholarship Program (ADB-JSP): ADB
- The Joint Japan World Bank Graduate Scholarship Program (JJ/WBGSP): WB¹

2. Selection Process

The following three components are part of the selection process.

- Application documents screening and assessment - All applicants
- Online timed video/written assessment platform - All applicants
- Live Interview assessment - Invitation only²
(Either in-person or via interactive internet video communication tools)

After submitting the application documents, a personalized link to the online timed video/written assessment platform will be sent to applicants.

Important Notes

If the applicant provides any false or misleading statement, incomplete or inaccurate information in any part of the application, the application may not be screened, the applicant may be denied admission, or the offer of admission may be withdrawn at any time, even after enrollment.

¹ Applicants who apply for WB should select EPFD policy stream.

² Not all shortlisted applicants are invited to a live interview with faculty members.

3. Eligibility

Those who have completed or who expect to complete their undergraduate education (a bachelor's degree or the equivalent) by the Enrollment date are eligible to apply for MPP/IP.
Those who expect to complete their undergraduate education (bachelor's degree or the equivalent) between the Enrollment date and September 30, 2019 are required to contact the MPP/IP Admissions Office (the Admissions Office).

All applicants must carefully read Appendix 2.

Appendix 2. Eligibility Requirements

Persons who fulfill at least one of the following requirements are eligible to apply to the MPP/IP program:

(1) Those who have graduated from a Japanese university or are expected to graduate by the enrollment date. (Note 1)

(2) Those who have completed, or are expected to complete by the enrollment date, sixteen years of school education abroad. (Note 2)

(3) Those who have been conferred a degree equivalent to that of a bachelor's degree or are expected to be conferred before the enrollment date from a foreign university or other foreign institution (limited to those whose comprehensive status of education and research activities have been assessed by the government of the said foreign country or a related organization), having completed a program with a completion period of three years or more. (Note 2)

(4) Those designated by the Minister of Education, Culture, Sports, Science and Technology or those who have graduated or are expected to graduate by the enrollment date from an educational institution designated by the Minister. (Note 3)

(5) Those who have been conferred a bachelor's degree or are expected to have conferred before the enrollment date by the National Institution for Academic Degrees and Quality Enhancement of Higher Education (NIAD).

(6) Those who are 22 years or older on the enrollment date, whom this graduate school has recognized through individual screening of entrance qualifications, as having abilities that are at least equivalent to those who have graduated from a Japanese university. (Note 1) (Note 4)

(Note 1)

Japanese universities mentioned in Eligibilities (1) and (6) above are universities within the boundaries of Japan and as prescribed in Article 83 of the School Education Law.

(Note 2)

Eligibilities (2) and (3) above includes the case of having completed a correspondence program provided by a foreign school of said country while residing in Japan.

(Note 3)

Those as mentioned in Eligibility (4) above refers to any who have graduated from the following schools or educational institutions.

- The Japan branch of a foreign school as designated by the Minister of Education, Culture, Sports, Science and Technology.
- Specialized training college designated by the Minister of Education, Culture, Sports, Science and Technology (limited to programs where the program duration is at least four years and which satisfies standards determined by the Minister)
- Universities under the old university ordinances, or higher educational institutions (daigakko) under the national/provincial/independent administrative agency ordinances

(Note 4)

(a) Those mentioned in Eligibility (6) above refers to those who do not fall into any of the Eligibilities (1) through (5) above but have graduated from an educational institution equivalent to a four-year university, and whom this graduate school has recognized, through individual screening of entrance qualifications, as having abilities that are at least equivalent to those who have graduated from a Japanese university.

(b) Those who wish to apply based on Eligibility (6) above must submit all the documents specified by the Admissions Office by December 7, 2018 as the eligibility for application is confirmed individually in advance by document screening. Please inquire the Admissions Office in advance about the eligibility for application and the documents to be submitted.

(c) Those who are recognized as having abilities that are at least equivalent to those who have graduated from a Japanese university through screening of entrance qualification will be permitted to apply and take the entrance examination.

(d) The results of this screening will be notified directly by email.
