履修上の注意 Notes on Taking the Course	Students willing to take this course need to pass a pre-registration screening to be held before the A1 registration period. Registration for the course will be done by GraSPP office, not via UTAS. To help students better understand the objective and procedure, an information session will be held in early October. The total number of students allowed to participate will be limited to a maximum of eight due to the nature of the course involving a series of intensive on-site discussions.
