THE UNIVERSITY OF TOKYO

The University of Tokyo's Graduate School of Public Policy (GraSPP) will be holding a live online session via Zoom for prospective applicants to the Master of Public Policy, International Program (MPP/IP). In this session, participants will find an overview of GraSPP and learning opportunities, and hear from the faculty, alumni and students their perspectives on the current policy challenges facing us.

The two-year Master of Public Policy, International Program (MPP/IP) offers an extensive and diverse menu of courses taught in English. The program provides aspiring public policy professionals with an opportunity to learn cutting-edge multidisciplinary approaches to addressing public policy challenges. Our faculty consists of academics, who provide intellectual foundations, and policy practitioners, who share professional knowledge and experience with students. The diverse, international student body is close-knit and provides program alumni with a global network of public policy professionals. Our cosmopolitan campus is located in central Tokyo with government, business and cultural districts within easy reach.
