

Important Reminder on the Course Registration

Basically, you may not register courses which have same names as the courses for which you have already earned credits for, except for the following course.

・5140735 Case Study (GraSPP Policy Challenge for SDGs 1) (The course title before the change : Case Study (GraSPP Policy Challenge I)) ※You may earn up to four credits.

As for the subjects of the list shown below, the course title has changed, but the registration of those who acquired the credits of right side course by last year is not accepted because the part of contents are almost the same with the subject on the left side.
