2 Precautions

- Please understand that we carry out exemptions in a very severe budget. In particular, the possibility of getting admission fee exemption is considerably low. So please prepare the fees in advance. If you do not pay the admission fee by the designated date based on the result, you will lose your student status according to the rules.
- For applicants outside Japan, please ask someone to act as a domestic proxy for the above mailing procedures. In this case, please also enclose a letter of proxy (form is available on our website.)
- Applications submitted after the deadline will not be accepted whatever the reason. Please prepare the documents well in advance and apply as early as possible.

3. Notification of selection results

The result of the selection will be released around the end of July through the UTokyo Academic affairs System (UTAS).

If you don't see the result, please contact our team.

- If deferred payment is granted, the payment date will be extended until the end of August.

4. Application of Deferred payment

Once the application of exemptions is submitted, the payment of the relevant fee will be deferred until the results are determined (the end of July).

If you need more deferment (until the end of August), please contact us by email.
