

## IMF Tokyo Office – Summer Internship Program

The International Monetary Fund (IMF) Regional Office for Asia and the Pacific, based in Tokyo, is accepting applications for one Internship position during summer 2010. The Internship is intended to provide graduate students with an opportunity to experience working for an international organization and learn about the IMF.

The period of the internship will be **6–8 weeks** during **July - September 2010**. A daily stipend will be provided to the Summer Interns as remuneration.

The following one Summer Intern position will be open to the qualified candidates:

- Economist Intern:** Work closely with IMF economists on a current research topic.

### Qualifications and Requirements

All candidates are expected to have an excellent command of English and good software and data management skills. For non-Japanese nationals, please confirm with your institution that your visa status allows you to accept a paid internship.

- Economist Intern – Graduate student in a macroeconomics-related field**
  - \* Please submit a 1 page research project summary with your application.

For those wishing to apply, please send a current CV and a recommendation letter from your academic advisor **by Friday, June 25, 2010** to:
