

Call for Papers

Turning the Tide: Policies for a Changing World

Can the current dominant economic system still “raise all boats”? Are there alternatives?

Given growing income inequalities, what kind of policies can best promote social equity and more inclusive measures of growth?

What roles can Asian nations play in a changing global order?

Deadline for submitting abstracts is 26 October

GPPN Student Conference 2012
2-3 December 2012
Lee Kuan Yew School of Public Policy, NUS
