[tnishizawa@pp.u-tokyo.ac.jp]

18:45-20:15 Monday, May 16

Room 610

6th Floor, Administration Bureau Building 2

Dr. Suk Hyun is a Research Fellow and Director of Center for Global Financial Collaboration at Korea Capital Market Institute (KCMi). He also serves as a secretariat representing Korea in the ASEAN+3 Bond Market Forum, appointed by Korea's Ministry of Strategy and Finance.

He is a founding member of Capital Market Association for Asia and has been a visiting research fellow at Waseda University since 2007. Dr. Suk Hyun also served as an economist with The Bank of Korea (2009-2010) and spent three years (2006-2009) in Japan as a bond market specialist in charge of Asian Bond Markets Initiative (ABMI) Task Force at Japan Bank for International Cooperation (JBIC).

His recent research covers the internationalization of Asian currencies, cross-border use of currency and volatility of exchange rates, establishment of regional settlement intermediary and Asian capital market development and integration.

Dr. Suk Hyun has a bachelor's degree in economics from Yonsei University and earned both his master's and Ph.D. degrees in economics from Keio University.
