Overview

❑ What are your long-term career goals?

A senior official at a key ministry?

A career diplomat?

A financial elite at a world-top financial center?

A professional at an international organization?

Work at a world-class consulting firm?

Start your own venture?

Teach at a world-renowned university?

Overview (continued)

- ❑ You might have a few ideas, not just one, at this stage.
- ❑ It's worth asking yourself what your long-term career goals would be.

Overview (continued)

- ❑ How could you achieve your future career goals successfully?
- ❑ It depends upon your carefully-prepared career strategy and determination to ~~grasp opportunities~~ **grasp opportunities**.
- ❑ In this context, I would urge you to make the good use of the double-degree and exchange programs available to you at GraSPP.

Overview (continued)

- ❑ What are the benefits?
- ❑ You could learn
 - how to survive global competition;
 - how to understand others better;
 - how to express yourself effectively; and
 - how to think freely and deeply.
- ❑ You could expand your comfort zone and gain more opportunities through extensive networks.

Overview (continued)

- ☐ Where could you start to prepare an effective career strategy?
- ☐ As a first step, plan ahead over your two-year (more or less) timeframe at GraSPP.
- ☐ You should have a well-thought-out course taking plan.
- ☐ Be active, on- and off-campus, to broaden your horizons.

Overview (continued)

Once more, please be reminded that
your successful future career depends
upon your carefully-prepared strategy
and determination to grasp opportunities.

 - Sciences Po has launched **Master of Public Policy**.
 - Joint Admission: around 10 from the world for cohort 2017-2019
 - Everyone must directly apply for Sciences Po-GraSPP DD on-line at Sciences Po's website by March 1st, 2017.
 - Start at Sciences Po in the 1st year, finish the 2nd year at UTokyo (for April enrollees: UTokyo-Sciences Po-UTokyo).
 - Strengthen the bond by maximizing the time together.

Good things about Sci Po:

- ① Being able to take quite high leveled Public Economics courses
- ② Being able to brush up my French language skills that I've been learning since my undergrad.

Advice :

- ☞ Prior internship experiences in Japan would be beneficial
