

Seminar for All: Global Bioethics -Cross Cultural Bioethics in Obstetrics and Pediatrics-

Seminar Leader: Shizuko Takahashi M.D. & Ph.D
(Specialty: Biomedical Ethics)
Graduate School of Medicine and Faculty of Medicine,
The University of Tokyo

Place: Medicine Bldg. No.3, 1F, Room: N101
Term: A2
Time: 5 and 6 periods on Monday (start 16:50)
Eligibility: Undergraduate & Graduate
Limits: 20 (In case many applicants, we will hold a draw.)

Learning Bio-Medical Ethics from ethical issues
in obstetrics and pediatrics.
The lecture contents are equivalent to a seminar
held at Yale University in the summer of 2018.
The seminar aims to deepen your
understanding and insight on global bio-
medical ethics.
