

INTERNSHIP INFORMATION FOR INTERNATIONAL STUDENTS

Name of Institution	Economic Research Institute for Northeast Asia (ERINA) (https://www.erina.or.jp/)
Department	Planning & PR Division [Contact Department] Chuo-ku, Niigata City, Niigata Prefecture [Workplace]
Period of Internship	Subject to negotiation
Language	English
Number of Interns	1
Content	Research assistance and/or independent research on issues related to the Northeast Asian economies. The work involves the collection of related information (statistical data, news, and so on), analysis and summarizing of the findings under the supervision of our staff.
Eligibility	<ol style="list-style-type: none"> 1. The applicant must be a GraSPP student. 2. A little knowledge of Japanese is highly appreciated. (No need to be fluent) 3. Those who can read either Chinese or Russian would be favorable.
Comments from the institution	A student with a keen interest in the Northeast Asian region, especially China or Russia, would be appreciated.
Condition	No remuneration or other financial support will be provided. Therefore the intern will need to pay for their transportation, accommodation, meals, and other expenses. The intern will need to arrange round trip travel between Tokyo and Niigata, and they are encouraged to find accommodation in Niigata on their own.
Selection	Interview with faculty members will be arranged later. GraSPP will recommend the shortlisted applicants to the institution for the final selection.
Other notice	The internship will be held at the office only. It may be suspended due to the circumstance of COVID-19.
