

# Digital Governance

## Speakers for November 28, 2020

### Class 5 “How and Why Regulation Should Change”

**Stephen Almond**  
ステファン・アーモンド

**Senior Fellow, World Economic Forum**  
世界経済フォーラム シニアフェロー

Senior Fellow at the WEF's Centre for the Fourth Industrial Revolution and leads work with governments to reform regulation to respond to the technological change. Prior to joining WEF, led the UK Government's programme to transform its regulatory environment to enable innovation and is the architect of its 2019 White Paper on Regulation for the Fourth Industrial Revolution. Established the UK's Regulators' Pioneer Fund, which invested in regulator-led projects to support innovations from robolawyers to flying taxis, and has overseen GovTech initiatives to bring technology into regulation. Degrees from the Univ. of Oxford and London School of Economics.

**Miguel Amaral**  
ミゲル・アマラル

**Senior economist, Regulatory Policy, Public Governance Directorate**  
OECD 公共政策局シニアエコノミスト

Senior Policy Analyst at the OECD, responsible for the development of the joint programme of work between the Regulatory Policy Committee and the Network of Economic regulators on regulation and emerging technologies. Prior to joining the OECD, served as Head of the Rail Infrastructure Management Unit at ART (French Transport Regulatory Body) and as Chair of the bi-national permanent service for the regulation of the Channel Tunnel. Ph.D. in Economics from the University Paris1 Panthéon-Sorbonne. Twitter: @Aml\_Miguel
