

October 11, 2022

Dear alumni, students, faculty, and staff,

Greetings from Tokyo! I am immensely pleased to announce the hosting of GraSPP Alumni & Students Day 2022 jointly with the GraSPP Alumni Association and Student Council on Saturday, October 15 from 18:30 to 21:00 (JST) in hybrid mode, which is slightly different from last year. This is an annual event in which we get to be reunited with our former students, faculty, staff, friends, and family. I am pleased to hear that more than 70 people have already signed up as of October 11 (about half in person and about half online). Please join us for any part of this event, and I hope you will take advantage of this precious opportunity.

Sincerely yours,

Keisuke Iida

Dean, Graduate School of Public Policy
