Registration required – Max. 250 participants

講師
Trainer

Jeffrey Robens, Ph.D (Editorial Development Manager, Nature Research)

Dr Jeffrey Robens is Editorial Development Manager at Nature Research and is responsible for conducting the *Nature Research Academies*—training workshops to improve publication output worldwide. He has strong scientific qualifications with 20 years of academic experience and numerous publications and awards. He received his Ph.D from the University of Pennsylvania and then worked at premier research institutes in Singapore and Japan. Since leaving academia in 2012, he has conducted over 400 days of academic training workshops worldwide to help researchers improve their publication quality and impact.

ウェビナーでは実践的なアクティビティもあります

論理的な文章の流れにするには？

Lecture 1. Effective Academic Writing

Activity 1 – Logical structure and flow

Which of the following sentences would be most appropriate to follow this sentence:

figureの改善点は？

Lecture 3. Preparing Impactful Figures

Activity 5 – Graph selection

What is wrong with this graph? Which graph would have been more appropriate? Do you agree with the assessment in the main text?

査読コメントにどう返答する？

Lecture 6. Navigating Editorial Decisions and Peer Review

Activity 12 – Navigating peer review

The journal editor has returned your manuscript along with a question from the Reviewer. Choose the most appropriate response and explain why.

FAQ

Q What equipment do I need to participate in the workshop?

A You will need a desktop computer, laptop or large-screen mobile device and a good headset for audio.

Q What's the best way to view the workshop?

A For the best viewing experience, we recommend accessing the workshop using a desktop computer or laptop. If you are planning to join on your mobile device, please ensure that you download the GoToWebinar app ahead of time.

Q Is there anything I need to do before the workshop?

A You should download the Workbook and review the activities ahead of time. We encourage you to try and complete them, and then you can revise your answer(s) if necessary, during the workshop. This will help us go through the activities more quickly during the workshop.

Q How do I register for the workshop?

A You will need to register directly for the workshop. You will receive an e-mail ahead of time inviting you to register. Registering will take just a couple of minutes.

Q How do I join the webinar on the day?

A Joining is easy and takes just a few seconds. Simply click the link in the email invitation to join the workshop at the specified time and date. You will proceed to the session immediately. Remember that you will need to have registered before the session begins. An excellent step-by-step guide with screenshots can be found at:

<https://support.goto.com/webinar/how-to-join-attendees>

Q GoToWebinar won't work on my computer or device...

A For information on system requirements for attending a GoToWebinar session, please visit this page: www.gotomeeting.com/en-gb/webinar/online-webinar-support

Q I'm not able to register or join the workshop...

A If you have any issues with registration or accessing the workshop, please email nras_webinars@nature.com
