Reflection Room			Unlocked all the time. Located inside Student Lounge.

2. Available days for students

1) In principle, students are able to use the rooms listed above except for the designated close off dates such as New Year's holidays and days for entrance exams. Unavailable dates will be announced to students in advance.

3. Important notes for using Student Study Rooms and Computer Lab

- 1) Keep quiet and refrain from disturbing others in the room. Set your cell phone and smartphone to silent mode and refrain from talking on the phone.
- 2) Eating and drinking are not allowed in the room except for the beverage in spill-proof bottles.
- 3) Do not occupy desks with your personal belongings.
- 4) Use the room and its equipment with care. Do not damage them.

5) In order to save energy, turn off all the lights, air conditioners, and computers when you do not use them or leave the room. Be sure to close the windows after use.

6) GraSPP may delegate the use of the rooms to its students as long as they take good care of using the rooms in an autonomous way following the notes above.

In case students do not follow these notes and inappropriate use is found, GraSPP Office will limit students' room use.

4. How to use Discussion Spaces

1) Items 2)-6) of the above "Important notes for using Student Study Rooms and Computer Lab" are applied.

2) Contact GraSPP Student Council to reserve Discussion Space.

5. Important notes for using Student Locker Room and Student Lounge

1) Use and take good care of an approved locker with your own responsibility.

2) Eating and drinking are allowed in the Student Lounge. Use Lounge and its equipment with care, do not damage them. In order to save energy, turn off all the lights and air conditioners when you leave.
