| Comments from the institution | <p>Music Securities, Inc., as a financial institution registered with the Financial Services Agency, aims to provide new value to the society and create new financing schemes to satisfy financing needs that traditional financial institutions could not approach. Also, we challenge to realize independent creative activities, research and development, local economy vitalization, poverty reduction, and recovery from the earthquake damage. Music Securities, Inc. exchanged an MOU with <a href="#">Cooperativa Abaco</a> in Peru to jointly develop crowdfunding for local micro, small, and medium enterprises (MSMEs) and has established Music Securities Peru, S.A.C.</p> <p>Music Securities has also joined the <a href="#">United Nations Sustainable Blue Economy Finance Initiative</a> and established a business partnership with Cambodian-Japan Cooperation Center in 2022.</p> |
| Condition                     | Commuting fee will be provided.   |
| Selection                     | Interviews by faculty members will be arranged. GraSPP will recommend the shortlisted applicants for final selection by Music Securities, Inc.  |
