

Removal & disposal of motorcycles illegally parked or abandoned on Hongo Campus

Notification period: From June 23, 2023 to October 25, 2023

Process:

- ① Notices will be attached to all motorcycles found on campus that are unregistered for AY2023.
- ② If said motorcycles are to be used or parked on Hongo Campus, the owners must register the motorcycles immediately and then remove the notices.
- ③ Warning notices will be attached to any motorcycles that are still unregistered/abandoned after 1 month of the notices being attached. Confirmation of ownership will be carried out from 5 July through Faculty offices, UTokyo Portal and websites.
- ④ A “Final Warning for Disposal” notice will be attached to any motorcycle that are still unregistered/abandoned after 2 months of the warning notices being attached.
- ⑤ Any motorcycle still left unregistered/abandoned one month after the “Final Warning for Disposal” being attached, we will take this as no intention of ownership and dispose of the motorcycle in question after October 25.
