

Course Registration

You should register your courses online using the UTAS system on the internet. You will need a user ID and password to log onto UTAS. These are noted in the "Password Notice" which was distributed after the enrollment procedures period.

Course registration through UTOL (UTokyo LMS, former ITC-LMS) or bookmarking syllabus on UTAS is different from "Course Registration" on UTAS. To earn credits, you must register course through UTAS.

Please be sure to meet the deadlines. Any procedure cannot be made outside of the period.

Registration period / Registration Correction period

Log onto UTAS to register your courses during registration period. If necessary, you can add, change and remove courses during registration correction period. **You CANNOT add, change or remove courses after the period below.**

Class will start before the registration period. Please refer to Academic Calendar AY2025 (p.1). Regarding intensive courses, class schedule will be announced via UTAS syllabus or GraSPP students bulletin board webpage.

Notes

- (1) Required courses listed below must be registered by students on their own.

D1	5170003/5170004* International Public Policy Research	6 credits**
	5170001 Research Design Workshop	2 credits
D2	5170002 Project Seminar	2 credits

*5170003 is code for students enrolled in September. 5170004 is code for students enrolled in April.

**Credits for this course will be offered at the end of the last semester of D3.

- (2) You can withdraw from intensive courses by the end of the 1st class day. If you need to deregister after registration correction period, please notify GraSPP Office by email. Deregister through UTAS is not available. If there is any specific announcement given by the faculty of the course regarding withdrawal such as in the syllabus, such announcement will override the rule mentioned above. If intensive courses are offered by other faculties or schools, the rules at such faculties or schools will be prioritized.
- (3) If you find any course unable to register via UTAS, please first check the syllabus or with the respective graduate school administrative offices on your eligibility to take those courses, then contact GraSPP Office **within the registration period or registration correction period**.
- (4) Some courses at GraSPP are also offered at other faculties and graduate schools. Please make sure to register courses with course code starting with "51", which indicates courses offered at GraSPP.
- (5) Some courses are offered both at master's program and doctoral program. Please note that course code starting with "517" are for doctoral program course.
- (6) You cannot register two or more courses offered on the same schedule, even if courses are conducted online or on-demand format.

Caution: Registration in the Final Semester of Studies

Students in their final semester of studies should not take intensive courses and courses from other faculties or graduate schools as part of your credits required for completion. Those credits are NOT counted as required credits for completion if grades are not determined before the completion assessment period.

Caution: Seminars of Faculty of Law

You cannot take seminars offered at Faculty of Law which are not joint curricular courses with GraSPP.
